## Meeting with National Safe Kids Campaign – August 28, 2002

### CPSC Electrical Hazards Program

- Electric Shock
  - GFCIs for kids bedrooms, and all other general use electrical outlets in homes accessible to kids. Also, GFCIs for outlets in public places. CPSC staff proposals for the 2005 NEC.
  - GFCIs for vending machines. A CPSC staff proposal for the 2005 NEC.
- Electrical Fire Safety
  - AFCIs (electronic smart circuit breakers) for residences to provide the best available electrical circuit protection.
  - Combo GFCI/AFCI for maximum protection, especially for the vulnerable population (children and seniors).
  - AFCIs for older homes. A CPSC staff proposal for the 2005 NEC.
- ESFI
  - Private sector group. Cooperates with CPSC on distributing electrical I & E materials.
